I will call if anything changes. Is there a cell # or a way to reach you directly?

I will also let Jim Hanchett know (the other chemist on this case from our lab). I am on-cal for another case scheduled in Holyoke tomorrow morning, and will let the ADA there know that I will only be available until 11 or 11:30, so I will definitely be in New Bedford in the afternoon at the latest. If I find out that I am not needed in Holyoke, I'll be there earlier. If anything changes, please call me as soon as you know anything. Thanks.

I've got a couple other cases scheduled on those days and want to let the ADAs know if I may be available (i.e would I be on-call for the Vargas cases, or need to be there at 9 (or some other set time)). I know that John Flor is not in your office anymore and that Melissa Weikart has taken over his cases, but I didn't want to assume that she is handling these cases. Thanks for all of your help.

Unfortunately, they (ADA's) are all in court at this time, therefore, I suggest you e-mail our Supervisor, Caleb Weiner at Caleb.Weiner@MassMail.State.MA.US.

Also, I beleive that John Flor was the ADA assigned to these cases previously - do you know if he is still assigned to them. Thanks for all of your help.
